Please check the box in front of the programs that interest you most.**

Signature Program: Domestic and Sexual Violence Awareness and Prevention

The goal of these programs is to increase awareness of and help prevent the widespread occurrence of violence against women and children locally and globally.

Arts and Culture

These programs encourage members to promote and support art and cultural programs in their clubs and communities. Our goal is to create projects that include crafts, dance, drama, food, music, and other manifestations of art and culture that develop skills, awareness, and appreciation.

Civic Engagement and Outreach

These programs remind members that each of us is part of a larger society. They highlight and encourage crime prevention, safety, and disaster preparedness; help for the needy, hungry, and homeless; and support for our military personnel and veterans.

Education and Libraries

We aim to help others, while we also continue to learn. Projects are designed to foster schools, as well as other educational institutions and opportunities. These projects promote libraries, literacy, and the love of reading.

Environment

This program encourages us to become conscientious stewards of the earth by working to preserve the world's resources, protect wildlife and domesticated animals, live sustainably, beautify our communities and enjoy nature.

Health and Wellness

The human body, mind, and spirit comprise our health and wellness. To improve our well-being, we must address three key components: nutrition, disease prevention, and physical and emotional care.

My statement of commitment:

As a member, I will actively support the purpose and goals of GFWC The Monday Club and its members. I plan to attend meetings regularly and to participate in club community service projects. I have received the new member packet and paid my \$50 membership dues.
